Re: Duane Marine Salvage Site - Perth Amboy, New Jersey
- Respondents to USEPA Administrative Orders -
II-CERCLA-50102, II-CERCLA-50105, and II-CERCLA-50107

Dear Ms. Thompson:

At this time we are listing thirty-nine (39) companies as cooperating and fifteen (15) as not cooperating (see print-out attached). Of those fifteen, three (Emerson Quiet Kool, Midland Glass, and Two Guys Department Stores) have been relieved from the effect of the governing Orders. Two other companies on the non-cooperating list are related to each other (Cosden and Eastern Sterling). One company which has not committed to join us seems about to (Tenneco Chemicals, Inc.).

You should also note that the Hyatt Roller Bearing respondent is a plant which was sold by General Motors Corporation to the employees of the plant and, pursuant to the terms of that contract of sale, General Motors Corporation has chosen to respond on behalf of Hyatt Roller Bearing in this instance.

Very truly yours,

CARPENTER, BENNETT & MORRISSEY
